## LIBRARY REPORT.

---

Nearly three thousand books have been taken from our Library and Branch Library during the past year, and in the names of two hundred and forty-five of our people, this shows a continued interest, which is very gratifying to the Trustees.

Eighty-five new books have been purchased by the Trustees and placed on our shelves, and we have orders in waiting for more to be delivered as soon as our agents can fill the order.

We acknowledge the receipt of one book, the gift of Mr. C. A. Merrick and the receipt of numerous magazines and papers, gifts from Mrs. Mary E. Eastman and Prof. W. W. Herrick for our reading room.

We again invite all Patrons of the Library to assist us in the selection of books, it is your privilege, and duty, if you fail to help us your criticisms are wasted.

## SCHOOL REPORT.

---

The past year has been a very successful one as the schools are in a good condition and the pupils making good progress.

We have had the full number of weeks lacking one, there being not quite as much money as last year but there is a small balance in treasury to meet all necessary expenses.

Four new teachers have been necessary during the year to fill vacancies but we have been fortunate in engaging good workers who have maintained the standard all ready attained.

Some of our schools are small but are kept open in accordance with the expressed wish of the people who furnish necessary funds to support them but we wish there might be some means devised whereby we might have fewer schools with more pupils and better paid teachers, we think they would get better results.

The school house in district No. 5, was sold last year but the shed was not sold, we would recommend that the town sell it.

With grateful appreciation for the efforts of all who have contributed to the success of our schools during the past year will turn to the future earnestly soliciting the same kind consideration for those who follow us.
